2019 BASEBALL SPRING INVITATIONAL

When you bring your team to Historic Dodgertown for our Spring Invitational program, you are putting your team on the path to success.

From 1948-2008 this was the Spring Training home of the Brooklyn and Los Angeles Dodgers. In those 60 years, six World Championship teams got their start here, and more than 150 Hall of Famers have played and visited.

Where other programs offer replica fields, here your athletes can pitch from the same mounds as Sandy Koufax, Don Drysdale, Don Sutton, Don Newcombe, Orel Hershiser and Pedro Martinez; turn double plays on the same fields as Jackie Robinson and Pee Wee Reese; roam the outfield like Duke Snider; learn to steal bases like Maury Wills; and call pitches from behind the plate the same as Roy Campanella, Steve Yeager, Mike Scioscia and Mike Piazza. As the coach you'll be sitting in the same seats as Tommy Lasorda and Walter Alston.
