

2016 All Star Classic Skill Competition

As part of the 2016 All Star Classic, Historic Dodgertown will be hosting a skills competition for the players involved in the tournament. The skills competition will consist of three separate events: Team Relay, Road Runner, and King of Swing. Please see descriptions below.

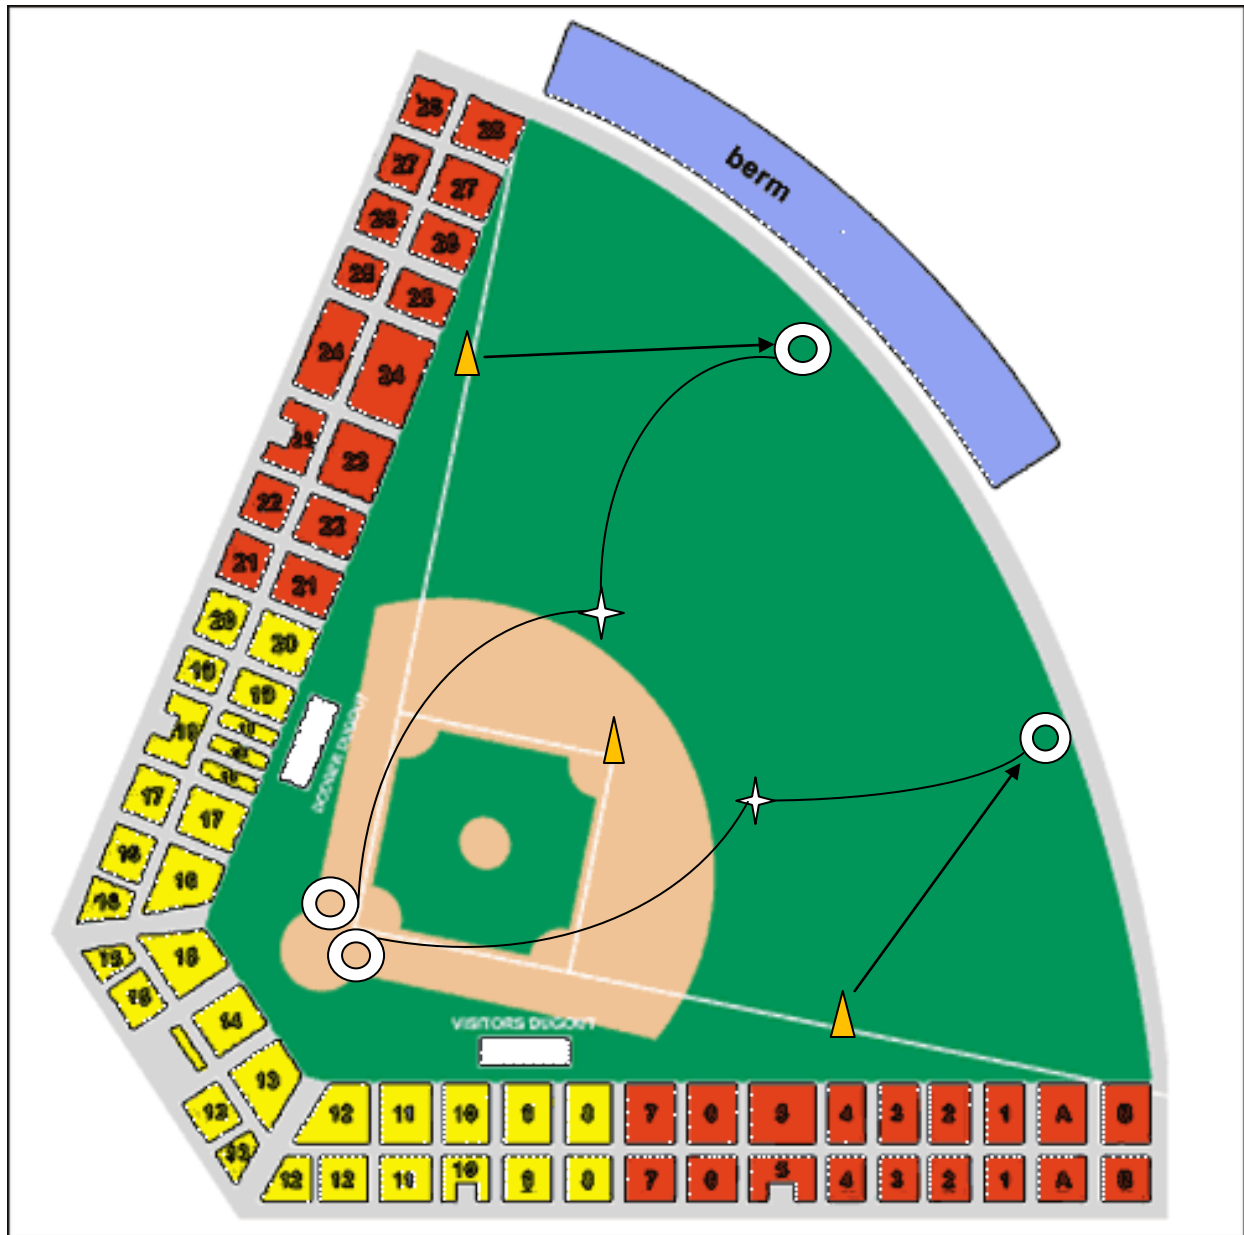

Team Relay Competition

In this event, teams will compete head-to-head to see how long it takes to complete a relay from the outfield to home plate, imitating a hit that could score a go-ahead runner.

- A team of 4 players will compete in this event
 1. Outfielder
 2. Short Stop
 3. 2nd Baseman
 4. Catcher
- Each player will start at designated areas
 1. Left fielder- halfway down left field foul line
 2. Right Fielder- Halfway down right field foul line
 3. Short stop & second baseman- 2nd base
 4. Catcher- Home plate
- When the whistle is blown, a ball will be launched out of two fly ball machines simultaneously in the direction of right-center and left-center.
- When the ball is launched, the outfielders will sprint towards the ball launched on their respective side. Field the ball, and throw it into their relay man.
- The outfielder **must** relay the ball to the cutoff man (Shortstop or 2nd base), and the cutoff man will proceed to relay the ball to the catcher. The additional player not being used as the primary relay man can set up for a double-cut if necessary.
- The catcher must stay within a 6ft circle marked by home plate.
- A time penalty of 5 seconds will be added to a team's time if a ball is not relayed in the right order.

****Please see attached diagram to see how the field will be laid out****

Road Runner (Running Competition)

This event is a time trail then head to head running relay race

- Each team is allowed to submit up to two teams of two.
 - Teams may not change once the event has started.
- One player from each team will be placed on Home plate and Second base. The player starting at home will be holding a baseball
- On the initial signal the player starting at home with the baseball will run towards first base, touch first base, and run towards second base. When that player reaches second base he must hand the ball off to his partner. That player will run towards third, touch third base, and run to home plate.
- The clock will stop when the 2nd player touches home plate
- In Rounds 2 & 3 teams will go simultaneously. One team will start on home and end on home. The other will start on second and end on second. The first team to complete running the bases first will move on/win.
- Players must:
 - Touch each base
 - Not leave the base until he receives the ball from his partner
 - Not throw the ball to his partner

2016 All Star Classic Skill Competition

King of Swing (Hitting Competition)

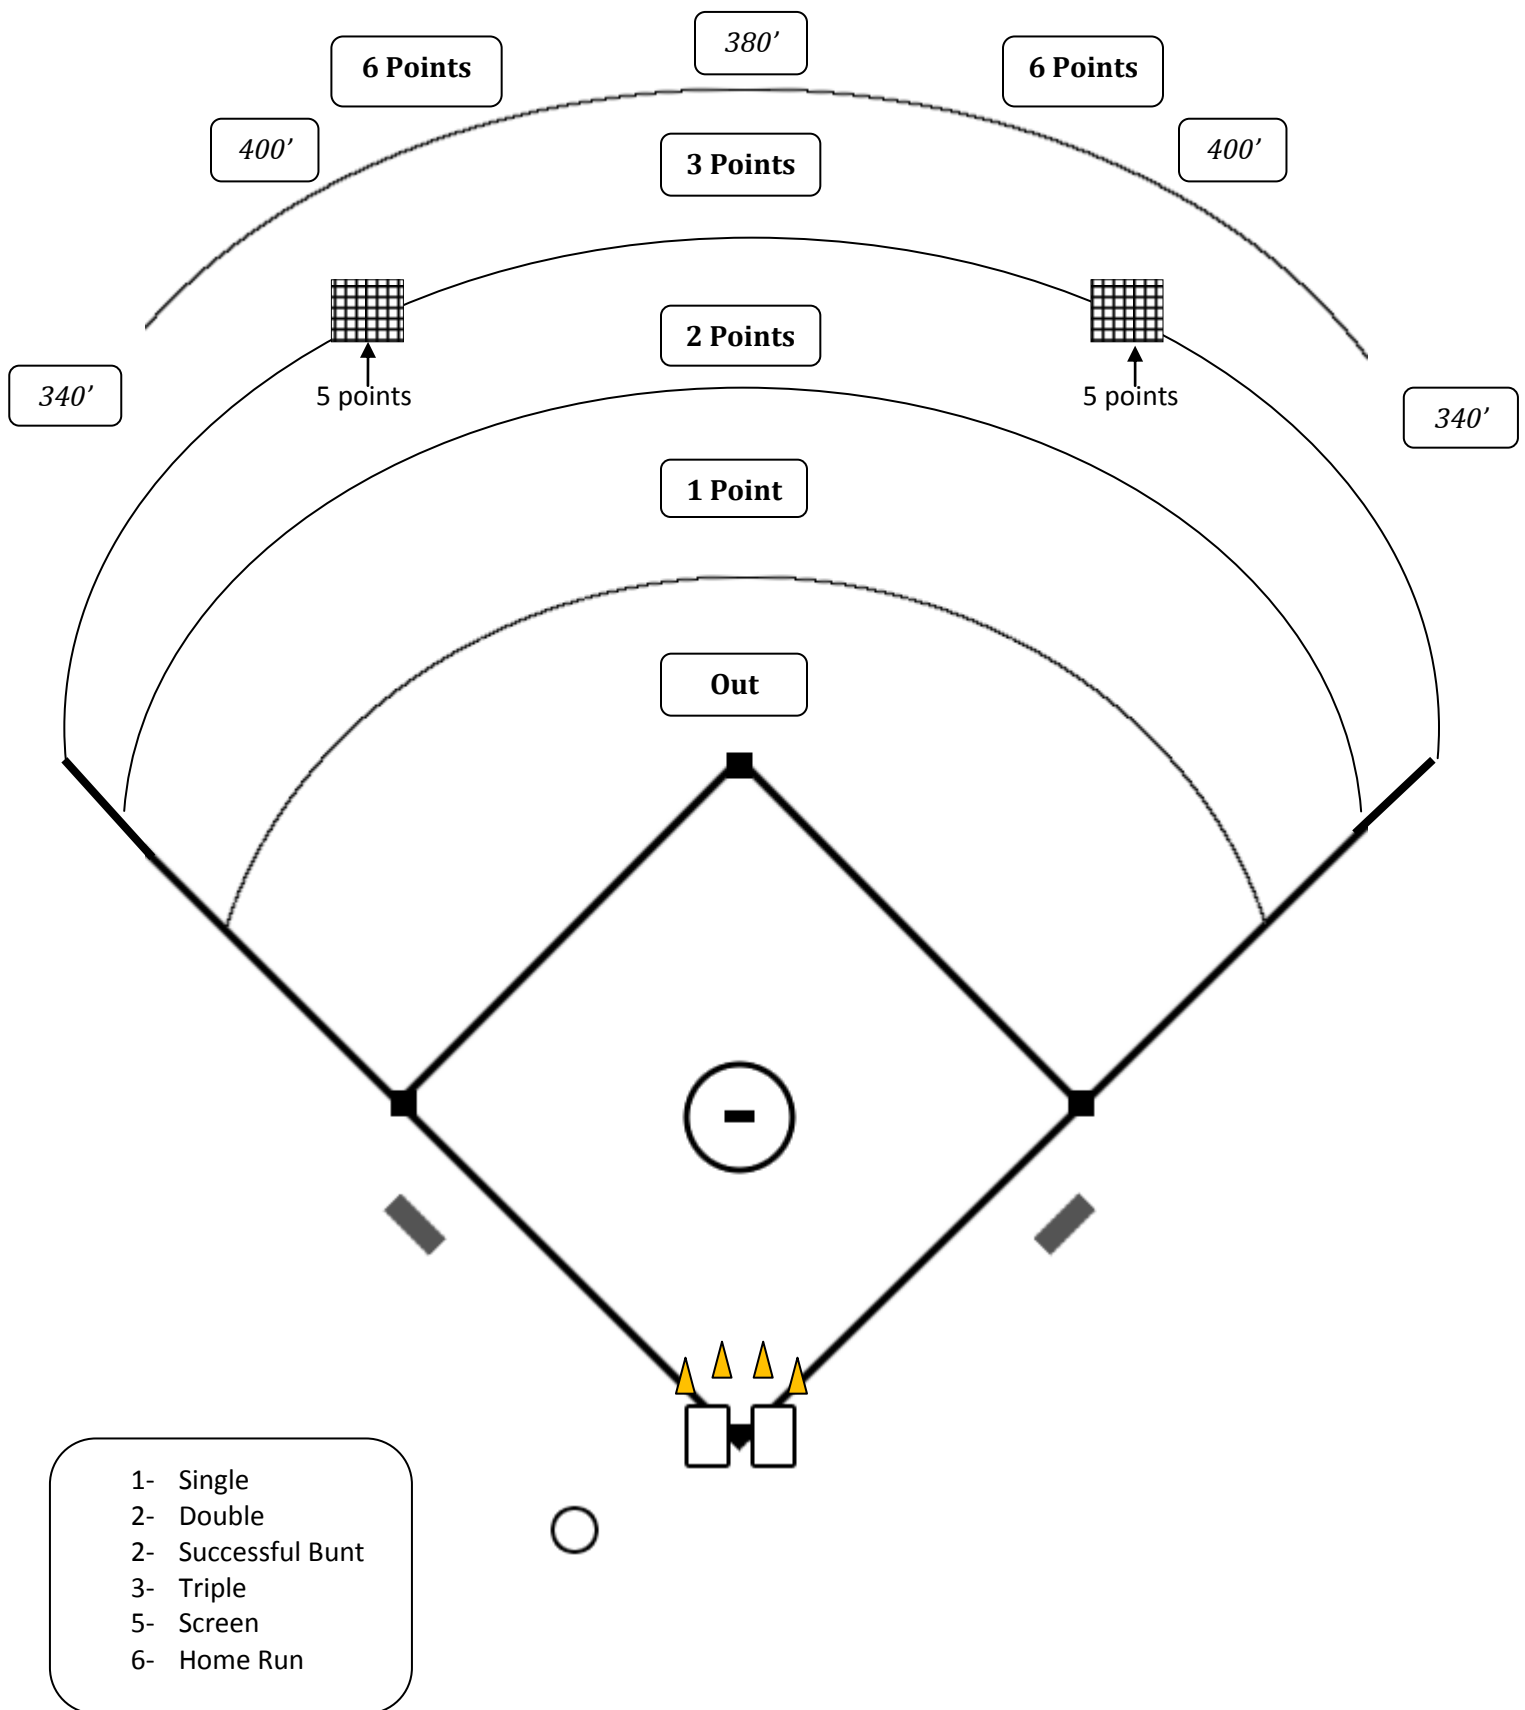

This event will be a hitting event, similar to that of a Home Run Derby. Participants will be awarded points based off of the distances and locations of balls that they hit. Each team may enter up to 2 contestants for this event.

- A pitching machine will be set up to throw balls for this event
- Each contestant is allowed 2 bunts & 10 swings in each round
 - Points are only awarded to bunts that pass through the cones placed in the infield, and hits that land outside of the infield in fair territory
 - Bunts outside of the cones, miss bunts, swing and misses, foul balls, and ground balls hitting the infield first are included in your swing total and will not be awarded any points
 - Pitches taken by the batter are not counted against the swing total
- Markings will be placed on the field to designate the points awarded for each hit.
- Each hit will be awarded one of 4 point totals for the respective distance hit.
 - 1-Single
 - 2-Double
 - 2- Successful bunt through the cones
 - 3-Triple
 - 5- Hitting the screen
 - 6-Home Run

****Please see attached diagram for how the field will be laid out****

- At the end of each round the appropriate batters will advance.
- If there is a tie for the final spot in a qualifier or championship, a hit-off with 5 additional swings will occur
